<p>WARNING: CSI manufactures a variety of CTS less lethal products which are under pressure, pyrotechnic, incendiary, emit projectiles, generate smoke, or are explosive in nature. When used in accordance with CTS training guidelines and the individual agency's policy, they are intended to cause varying degrees of pain and injury, which are temporary. These products are restricted to law enforcement, corrections, and military personnel and are used to gain compliance, disperse crowds, restore order, or temporarily incapacitate dangerous persons. In rare circumstances, if used incorrectly, CTS less-lethal products may cause damage to property, serious bodily injury or death. Therefore, any person using the force option depicted on this page should receive proper training to ensure the safest and most effective use.</p>	SHIPPING INFORMATION		
	Proper Shipping Name	Ammunition, Smoke	
	UN Number	0303	
	Hazard Class	1.4G	
	Labels Required	Explosive 1.4G	
	Quantity Per Package	27 Cartridges	
	Total Package Weight	35 lbs.	
	Package Type	Steel 7 Gallon Drum	
	Package Dimensions	12 x 19	
Net Explosive Weight	47.90gm per unit		

*VENOM® Munitions are electronic fired and proprietary to the VENOM® Non-Lethal Tube Launch Munitions System.

**Effective range varies depending on the bank the munitions are launched from, the height of the mount, and the position of the individual sub-munitions in the launching tube. Environmental conditions also influence range and accuracy.
