Class Schedule

Day 1 - Begin @ 8:00am

This is an an Armorer's Course designed for those assigned to the agency's armory responsible for maintaining maintenance of launchers. This is a hands on course focusing on repair of Penn Arms 37mm and 40mm single and multi-pump launchers. The course includes basic troubleshooting and repairs of the launchers. This course is needed to perform repairs without voiding launcher warranty. Agencies attending should bring a Penn Arms launcher to work on. This course is Penn Arms specific. If the agency uses a Spring Wound Multi-shot launcher, they should contact training@combinedsystems.com to set up additional training.

Equipment Needed:

- Attendees are encouraged to bring launcher(s) in need of repair to work on them

To Register: http://combinedsystems.com/registration-form/

Last day to register: May 30, 2024 (call Lindsay if you miss the cutoff date)

Any cancellation must be received 30 calendar days prior to the start of class. Any cancellation after this period will incur the full cost of the registration, unless otherwise approved by CTS Training Institute
